

West Ridge Band Uniform Sponsorship

Welcome! On behalf of the West Ridge Band Boosters, we invite you to join us as we host a very special fundraising campaign for the West Ridge Band. As you know, this is the inaugural year for West Ridge Band, who will be the largest representative of Sullivan County Schools at football games, parades and competitions. The combination of three successful programs and resources provides us with the opportunity to branch out not only in Tennessee, but also the Southeast and Nationally.

With the combination of the programs, the band has grown exponentially. Our goal is to provide our band members with a band uniform that showcases the new West Ridge Band solidifying the band's identity. To be honest, outfitting the band will come at a large cost, and this is where we need your support!

The band directors have been working with the top designers in the industry to procure the finest yet most affordable product for the first ever West Ridge Band uniform. As of now, the price of each uniform is \$215. To accommodate the projected size of the band, we need around 175 uniforms for our wind and percussion students. We have been privately fundraising over the last year for these uniforms. Now, we need your support because these students need their community to rally behind them.

We are inviting you to support the West Ridge Band by way of sponsorship towards our goal of 175 uniforms at \$215 per uniform. All sponsors will be recognized on our website and social media. If you would like to sponsor at one of the levels below, we offer additional recognition at our events.

Blue Sponsor - Sponsors of 1 to 3 uniforms will have their company name announced at every home football game.

Gray Sponsor - Sponsors of 4 or more uniforms will have their company name announced at every home football game and their company name placed on our equipment trailer.

Leader of the Pack Sponsor - Sponsors of 10 or more uniforms will have their company name announced at every home football game, their company name placed on our equipment trailer and be featured in our band program for our first ever band competition.

We hope you will join us in the wonderful opportunity to support your local West Ridge Band program with your uniform sponsorship. Enclosed you will find a form which we are asking that you return to indicate your level of sponsorship. Please note that the West Ridge Band Boosters has applied for 501(c)3 non-profit status. We would love to meet with you to discuss your support. Please feel free to contact us. We look forward to your reply.

Sincerely,

Heath Hopper, Director of Bands
