

West Ridge Band Sponsorship Program 2022-2023

Why support the West Ridge Band?

Welcome! On behalf of the West Ridge Band Boosters, we invite you to join us as we host a very special fundraising campaign for the West Ridge Band. The West Ridge Band will be the largest representative of Sullivan County Schools at football games, parades and competitions. The combination of three successful programs and resources provides us with the opportunity to branch out not only in Tennessee, but also the Southeast and Nationally.

With the combination of the programs, the band has grown exponentially. Our goal is to provide our band members with equipment and instruments that showcase the new West Ridge Band solidifying the band's identity. To be honest, outfitting the band will come at a large cost, and this is where we need your support!

Please Consider becoming a Partner with the West Ridge Band. Your donation will be backing a wonderful music program that encourages excellence from students on the field, on the stage, in the classroom, and in the community. The benefits for your support include:

- Advertising and exposure for your business to over 175+ band students, 1900 West Ridge High School students, families, faculty and staff during all school activity days.
- A Tax Deductible Donation because we are a 501(c)3 non-profit organization.
- Recognition for your donation and good will. The satisfaction in knowing you are making a difference in the lives of students in your own community.

Our students are consistent members of All-East Senior Clinic, Honors Bands, and All-State Bands. With our 175 person marching being the most visible part of our curriculum, students also have the opportunity to participate in a variety of extra-curricular ensembles including concert band, percussion ensemble, jazz band, chamber ensemble, winterguard and our State Champion twirl team.

Our student's hard work, dedication, determination, love of music and each other, shines through. The experiences provided teach life-long learning skills, leadership, and achievement in all areas of their lives, but it would be impossible to accomplish all of the wonderful things our students do without the support and help from friends, family and community!

We hope you will join us in the wonderful opportunity to support your local West Ridge Band program with your sponsorship. Enclosed you will find a form which we are asking that you return to indicate your level of sponsorship. We would love to meet with you to discuss your support. Please feel free to contact us. We look forward to your reply.

Sincerely,

Sheila Laughlin, President, West Ridge Band Boosters
