

West Ridge Band Sponsorship Program 2023-2024

Why support the West Ridge Band?

The West Ridge Band is the largest representative of Sullivan County Schools at football games, parades and competitions.

Please Consider becoming a Partner with the West Ridge Band. Your donation will be backing a wonderful music program that encourages excellence from students on the field, on the stage, in the classroom, and in the community.

The benefits for your support include:

- A Tax Deductible Donation because we are a 501(c)3 non-profit organization
- Advertising and exposure for your business to over 1800 West Ridge High School students, families, faculty and staff during school events
- Recognition for your donation and good will ⇨ The satisfaction in knowing you are making a difference in the lives of students in your own community

Our students are consistent members of All-East Senior Clinic, Honors Bands, and All-State Bands. With our 150+ person marching band being the most visible part of our curriculum, students also have the opportunity to participate in a variety of extra-curricular ensembles including concert band, percussion ensemble, jazz band, chamber ensemble, our 2X CIPA Champion winterguard and our State Champion twirl team.

Our student's hard work, dedication, determination, love of music and each other, shines through. The experiences provided teach life-long learning skills, leadership, and achievement in all areas of their lives. But it would be impossible to accomplish all of the wonderful things our students do without the support and help from friends, family and community!

We hope you will join us in the wonderful opportunity to support your local West Ridge Band program with your sponsorship. Enclosed you will find a form which we are asking that you return to indicate your level of sponsorship. We would love to meet with you to discuss your support. Please feel free to contact us. We look forward to your reply.

Sincerely,

Chris Smithson, *Director of Bands*

Nick Routh, *Director of Bands*
