

STICKLEY FARM TICKETS

531 Timber Mill Private Road, Bluff City Tn. 37618

We have the greatest opportunity to raise 7500 dollars! We need each band student to presale tickets to Stickley Farms starting now until September 26. The tickets are good from September 29 through October 31, 2023.

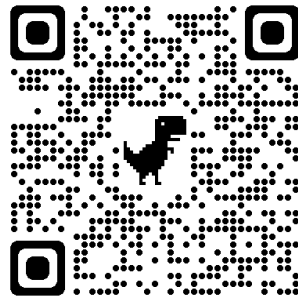

Each student will start with 3 tickets and then will receive more tickets as they sell. If every student sold 7 tickets, we would reach our goal of selling 1000 tickets.

These tickets are for **admission only** and will cost **15.00** each. This is the same amount that Stickley Farm will be selling at the door, but if we sell 1000 tickets we will get 7,500.00! That is a lot of money for the band! If we sell more than 1000 tickets then it's more money for us! But if we sell less than 1000 tickets we get 30 percent of what we sell instead of 50 percent.

Every student will come home with 3 tickets to sell for 15.00 EACH, the student will write West Ridge Band on the back of the ticket and collect 15.00. The buyer will take that ticket to Stickley Farms on the date they decide to go on and will receive a wristband. When the student sells out of tickets contact Byron Thompson and he will see that you get more tickets to sell.

If the student **DOES NOT SELL** all tickets that are assigned to them, they **MUST BE RETURNED** to the band. This is very important because the student will be responsible for any unsold, lost, stolen or destroyed tickets. The band has to return all unsold tickets and all money raised on the 28th of September.

The buyer can pay in **cash**, or **check** made to West Ridge Band Boosters, or **Memberhub** by using the QR code below. When you run out of cards dont stop selling, we will have extra cards for you to pick up!

If you have any questions contact Byron Thompson, VP1/Fundraiser at wrboostervp1@gmail.com
